

OSDL Captain's Guide

2025/26 Season

Welcome to The Ontario Squash Doubles League (OSDL). Captain's, thank you for getting involved! The OSDL is a non-profit organization that facilitates inter club competition for squash doubles in the Greater Toronto Area.

Good communication is essential for the success of our League.

- *The League Executive will provide structure that includes rules, schedule and website administration.*
- *Division Commissioners will work closely with Team Captains to ensure weekly schedule, roster and match score updates run smoothly.*
- *Host and visiting team Captains must collaborate before the scheduled match to confirm venue location and order of matches.*

 - Too many matches were rescheduled with a date TBD
- Current Rule
 - 11.1 - A Team can request to reschedule a match if there is a conflict (host courts are unavailable) with the Schedule.
 - The host team Captain should make the request to the visiting team Captain and the Division Commissioner.
- Update to the Rule
 - The Captain requesting the rescheduled match must propose dates to the other team Captain and the Division Commissioner within 7 days.

Rules Overview

- Scheduled Match Play
 - 1.2 Captains may agree between themselves, in advance, to change the order of play, but corresponding teams must play against each other.
 - 1.3 Every week there are 3 points available
 - Team Points = Individual Match Wins - Default Adjustment (rule 2.5)
- 2.5 If a team defaults a match
 - The defaulting team shall have two points deducted and the non defaulting team gets 3 points.
 - If the defaulting team plays only 1 match it shall have 1 point deducted and that team must play at #1 position.
 - If the defaulting team plays two matches no points will be deducted but must play the matches in the top two positions.
- 2.1 Playoff eligible: play in 1/3 of the regular league games (rounded to nearest integer)
 - 10 game schedule: 3 matches
 - 12 game schedule: 4 matches
- 2.3 Player Substitution
 - After playing in 40% of the scheduled games (rounded to nearest integer) the player must remain on the higher ranking team.
 - D1 - D3 (10 game schedule): 4 matches
 - A player may play for a higher division team for another club providing the original club does not have a team in the higher division.
- 2.2 Professional squash players are allowed to play in the OSDL
 - A professional is someone who earns money from squash either by teaching or playing.
 - For D2 to D4, each Club may play only one professional per match, providing he is playing at the highest division offered by his Club and at any position.
 - Requests for an exemption to this rule should be made to your Division Commissioner before a match is played.

Administration Tools

The OSDL Executive changed the league administration software in 2022 due to supportability and cost issues. After reviewing several options, Club Locker software was selected.

Club Locker is used for all tournaments and for a growing number of leagues in Canada. Club Locker provides the following administration functions:

- [View Schedule](#)
- [Update Team Roster \(entered by Team Captain\)](#)
- [Update Match Scores \(entered by Team Captain\)](#)

A front end website [onsquashdl.com](https://rightwall1320.wixsite.com/website-3) (<https://rightwall1320.wixsite.com/website-3>) provides the following OSDL customizations:

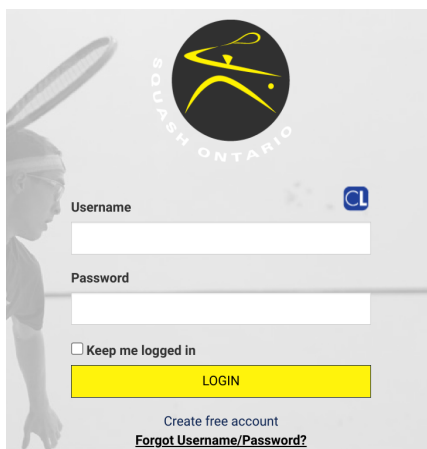

- [OSDL Guiding Principles](#)
- [Official League Rules](#)
- [Schedule \(also provides start time, order of play, whites attire rule\)](#)
- [Official Standings](#)
- [Contact list](#)
- [Sponsors](#)
- [Playoff Information](#)

Club Locker Highlights

The following sections will give a brief tour of the Club Locker software and demonstrate how to manage your team. If you have any problems, do not hesitate to reach out to your Division Commissioner and Technical Support.
